

CHILDREN

Vulnerable Children's Advocate

\$5000

Are you passionate about supporting children to reach their potential?

As a Children's Advocate, you will equip and empower rescued and at-risk children in desperate need of care to grow strong, healthy, and reach their full potential.

Your life-changing gift will be directed towards meeting the urgent needs of vulnerable children so they can find healing, freedom and belonging.

Construction of the new facility to support children will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

Nepal has made great strides in improving outcomes for children, but a number of major challenges continue to impact child rights, including poverty, schooling and modern slavery. Each of these issues plays into the hands of sophisticated traffickers who in turn prey on vulnerable children.

The Pokhara Project will increase the capacity of 3 Angels Nepal to keep rescued and at-risk children safe by providing them with education, medical treatment, secure homes, community and so much more.

By supporting the most urgent needs of children, you will be positioning them to thrive and be all they can be.

From loving homes to good schools, children will have the opportunity to find safety and belonging, form lifelong friendships, and have the freedom to be kids, free from the threat of trafficking.

Thank you for considering becoming a Children's Advocate. Your generosity will help ensure the futures of some of Nepal's most marginalised children.

If your giving capacity is better suited to fully funding individual vulnerable children's homes, please ask your partnership manager for the relevant proposals.

While every endeavour is made to ensure price points accurately reflect program costs, fluctuations in exchange rates, cost of building materials and unforeseen global events may impact the financial cost of implementation. Therefore, all funds raised will be pooled to cover The Pokhara Project development as a whole. Give Freedom International also reserves the right to make adaptations to the Pokhara Project to respond to our Field Partners needs from time to time. We guarantee that 100% of your gift goes to the field.
