Medical Room Sponsor

\$100,000

Are you driven to equip healthcare facilities to look after people well?

As a Medical Room Sponsor, you will provide trafficked women and children with access to critical healthcare.

Your gift will be directed towards constructing a multipurpose room in a new medical centre where women and children will receive confidential care in a private, well-equipped and comfortable space.

Construction of the new medical centre will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

Women and children often come to 3 Angels Nepal in desperate need of urgent care. Providing them with quick and convenient access to medical attention is crucial to ensuring their long-term health and wellbeing.

The medical centre will give rescued and at-risk women and children living on site, and those from the surrounding community, a way to proactively manage their health and prevent the development of chronic disease.

A clean, functional and well-equipped space is essential to making this happen, and to ensuring patient comfort and the efficiency of medical staff.

As a medical centre that aims to provide comprehensive care, rooms will be used for triaging, consultations, examinations, minor medical procedures and storage.

There will be a qualified doctor as a first point of contact for all patients to ensure early diagnosis and a better outcome.

Thank you for considering becoming a Medical Room Sponsor. Your generosity will ensure the ongoing good health of women and children by providing a clean and comfortable space for effective and confidential medical care.

While every endeavour is made to ensure price points accurately reflect program costs, fluctuations in exchange rates, cost of building materials and unforeseen global events may impact the financial cost of implementation. Therefore, all funds raised will be pooled to cover The Pokhara Project development as a whole. Give Freedom International also reserves the right to make adaptations to the Pokhara Project to respond to our Field Partners needs from time to time. We guarantee that 100% of your gift goes to the field.
