Bakery

\$50,000

Are you passionate about empowering women?

Fully funding the Bakery will equip survivors of trafficking with income-generating skills to become financially independent.

Your gift will be used to construct a commercial kitchen and bakery to provide women and girls with vocational training that will empower them to face the future with confidence.

Construction of the new bakery will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

The women's safe haven will provide up to 40 women and girls at a time with a home, medical care, counselling, legal assistance, vocational training and a strong encouraging community that will support them through their recovery.

As they begin to feel safe again and the scars of their exploitation slowly fade, the emphasis of their healing turns to empowerment.

Equipping women with vocational skills so they can graduate into employment and thrive in the community, is one proven way to address a key contributing factor to human trafficking: poverty.

The semi-basement floor of the new safe haven will house vocational training facilities that include a bakery.

The bakery will be part of an industry standard commercial kitchen equipped with ovens, stainless steel sinks and

counters, and food storage appliances such as fridges and freezers.

Money generated from all baked goods will provide an income for the women and a percentage of the profits will also be invested back into the vocational training program by 3 Angels Nepal.

Thank you for considering fully funding the Bakery. Your generosity will ensure that vulnerable women and girls are equipped with the skills to create a future free from trafficking.
