Hair and Beauty Studio

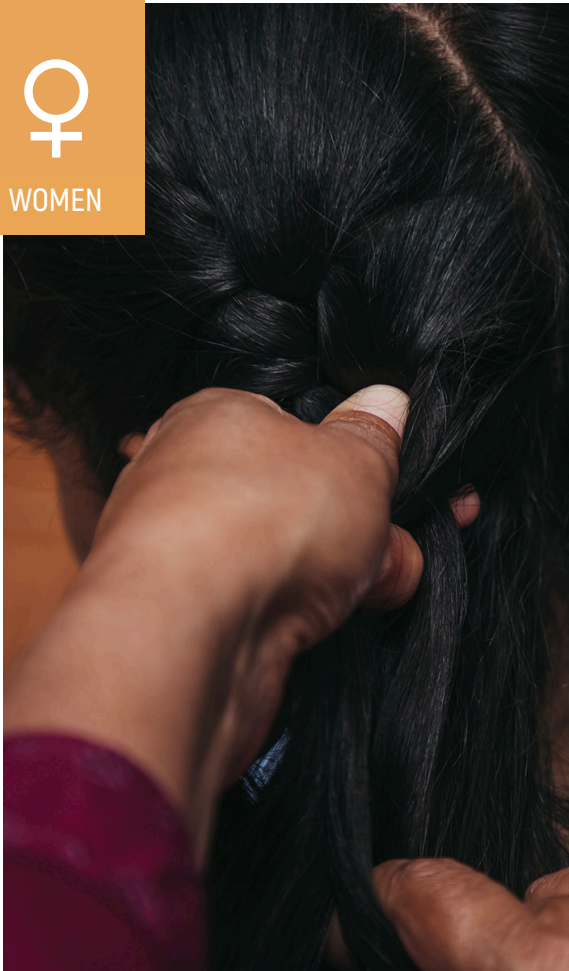

\$50,000

Fully funding the Hair and Beauty Studio will equip survivors of trafficking with income-generating skills to become financially independent. Your gift will be used to construct a commercial hairdressing and beauty salon to provide women and girls with vocational training that will empower them to face the future with confidence.

Features include:

- ✓ Capacity to teach hairdressing and application of beauty treatments
- ✓ Electrical outlets for all equipment
- ✓ Access to bathroom and storage facilities
- ✓ Space for training and commercial cosmetology
- ✓ All internal fixtures and fittings
- ✓ Passive solar design

Construction of the new hair and beauty studio will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

The women's safe haven will provide up to 40 women and girls at a time with a home, medical care, counselling, legal assistance, vocational training and a strong encouraging community that will support them through their recovery.

As they begin to feel safe again and the scars of their exploitation slowly fade, the emphasis of their healing turns to empowerment.

Equipping women with vocational skills so they can graduate into employment and thrive in the community, is one proven way to address a key contributing factor to human trafficking: poverty.

The semi-basement floor of the new safe haven will house vocational training facilities that include a hair and beauty studio.

The spacious studio will be used to teach women the industry standard of hairdressing and the application of beauty treatments.

Money generated from their new skills will provide an income for the women and a percentage of the profits will also be invested back into the vocational training program by 3 Angels Nepal.

The studio will also benefit from passive solar design that utilises the sun's energy to warm and cool living spaces.

Thank you for considering fully funding the Hair and Beauty Studio. Your generosity will ensure that vulnerable women and girls are equipped with the skills to create a future free from trafficking.
