Landscaping for Stage 1 Construction

\$200,000

[funding still needed from \$250,000]*

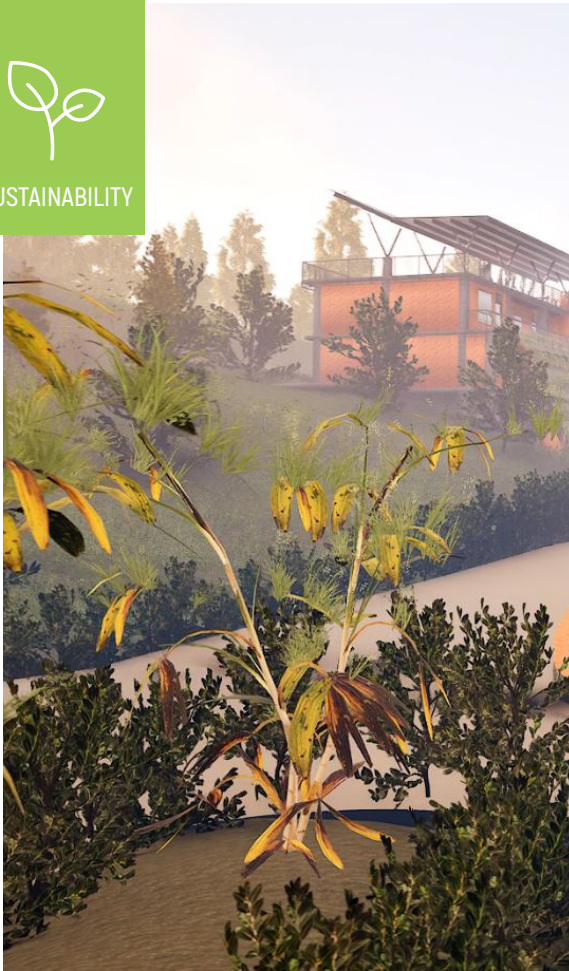

Are you passionate about providing a clean and positive environment?

By fully funding Landscaping for Stage 1 Construction, you will provide crucial vegetative infrastructure.

Your gift will be directed towards installing vegetation in the first stage of construction that will support passive solar design and provide a pleasant environment for trafficked women and children.

Construction will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

*\$50,000 of \$250,000 funding target already gifted.

Stage 1 Construction is the first exciting step to completing The Pokhara Project as a whole.

It will provide 3 Angels Nepal with fundamental operational facilities such as classrooms, a dining hall, the women's safe haven, vulnerable children's homes and a medical centre—everything they need for their beneficiaries to be safe and holistically thrive.

Landscaping will provide crucial vegetation that will provide a welcoming space outside—in areas where women and children gather.

A pleasant environment will also promote the healing process for traumatised women and children.

Vegetation will also support passive solar design that will harness the sun's energy to heat and cool living spaces of the women's safe haven, vulnerable children's homes and classrooms in the school.

Thank you for considering fully funding the Landscaping of Stage 1 Construction. Your generosity will equip them to provide children with the best possible education.

While every endeavour is made to ensure price points accurately reflect program costs, fluctuations in exchange rates, cost of building materials and unforeseen global events may impact the financial cost of implementation. Therefore, all funds raised will be pooled to cover The Pokhara Project development as a whole. Give Freedom International also reserves the right to make adaptations to the Pokhara Project to respond to our Field Partners needs from time to time. We guarantee that 100% of your gift goes to the field.
