

WATER &
SANITATION

1000 Litre Hot Water Tank

\$37,210

Are you passionate about providing children with clean, hot water?

By fully funding the 1000 Litre Hot Water Tank, you will equip rescued and at-risk women and children in Nepal to stay healthy.

Your gift will provide the 3 Angels Nepal school with continuous hot water, giving children the ability to stay clean and to reduce waterborne diseases.

Construction will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

Clean water, basic toilets and good hygiene practices are essential for survival. Without these basic necessities, the lives of millions of women and children in Nepal are at risk.

Integrated throughout the entire Pokhara Project will be state-of-the-art water, sanitation and hygiene facilities for women and children to use.

The 1000 litre hot water tank will provide continuous hot water to the 3 Angels Nepal school—to toilet blocks and hand washing stations.

Poor hygiene often leads to the spread of preventable health issues such as gastrointestinal and respiratory diseases.

The Pokhara Project's water and sanitation infrastructure will be vital to promoting life, wholeness and wellbeing in women and children.

Thank you for considering fully funding the 1000 Litre Hot Water Tank. Your generosity will give women and children access to clean, hot water empowering them to protect their health and to thrive.

While every endeavour is made to ensure price points accurately reflect program costs, fluctuations in exchange rates, cost of building materials and unforeseen global events may impact the financial cost of implementation. Therefore, all funds raised will be pooled to cover The Pokhara Project development as a whole. Give Freedom International also reserves the right to make adaptations to the Pokhara Project to respond to our Field Partners needs from time to time. We guarantee that 100% of your gift goes to the field.
