

WATER &
SANITATION

1000 Litre Vertical Water Tank

\$7268

Are you passionate about providing access to clean water?

By fully funding the 1000 Litre Vertical Water Tank, you will equip rescued and at-risk women and children in Nepal to stay healthy.

Your gift will provide the 3 Angels Nepal school with vital water, giving children the ability to safely drink, stay clean and reduce waterborne diseases.

Construction will begin once funding targets have been reached—and your generosity will take us a critical step towards achieving this important goal.

Clean water, basic toilets and good hygiene practices are essential for survival. Without these basic necessities, the lives of millions of women and children in Nepal are at risk.

Integrated throughout the entire Pokhara Project will be state-of-the-art water, sanitation and hygiene facilities for women and children to use.

The 1000 litre vertical water tank will provide continuous water to the 3 Angels Nepal school—to toilet blocks and hand washing stations. It will also provide clean, safe drinking water.

Poor hygiene and lack of access to clean drinking water often leads to the spread of preventable health issues including gastrointestinal and respiratory diseases.

The Pokhara Project's water and sanitation infrastructure will be vital to promoting life, wholeness and wellbeing in women and children.

Thank you for considering fully funding the 1000 Litre Vertical Water Tank. Your generosity will give women and children access to clean water empowering them to protect their health and to thrive.

While every endeavour is made to ensure price points accurately reflect program costs, fluctuations in exchange rates, cost of building materials and unforeseen global events may impact the financial cost of implementation. Therefore, all funds raised will be pooled to cover The Pokhara Project development as a whole. Give Freedom International also reserves the right to make adaptations to the Pokhara Project to respond to our Field Partners needs from time to time. We guarantee that 100% of your gift goes to the field.
